Contracting Company LLC
ROAD MARKING DIVISION

ABOUT US

WHO WE ARE

Gulf Seismic General Contracting LLC is a leading road marking service provider based in Abu Dhabi, UAE. We specialize in delivering high-quality, durable, and compliant road marking solutions for roads, highways, parking areas, airports, and industrial facilities across the UAE.

Building on our proven track record of excellence and successful projects in the UAE, we are proud to introduce our road marking services through our new company in Saudi Arabia — further expanding our commitment to quality, safety, and innovation across the region.

COMPANY INTRODUCTION

With a strong commitment to precision, safety, and customer satisfaction, we utilize advanced machinery, premium materials, and a skilled workforce to ensure every project meets international standards and **KSA regulations**.

WHY WE DO IT

Our mission is simple — to enhance road safety, improve traffic flow, and contribute to the development of the nation's infrastructure with reliable and sustainable road marking solutions.

WHY CHOOSE US

EXPERIENCED TEAM
A skilled and dedicated team with extensive industry experience.

QUALITY ASSURANCE
We use premium quality materials and advanced technology to deliver long-lasting and high-performance results.

ON-TIME DELIVERY
We value time and ensure timely completion of projects without compromising on quality and safety.

SAFETY FIRST
Safety is our top priority. We follow strict safety protocols to protect our team, clients, and the communities we serve.

KSA WIDE COVERAGE
We proudly serve clients across all regions of the Kingdom of Saudi Arabia with consistent quality and reliability.

VISION

To be the leading and most trusted road marking service provider in the KSA, recognized for our excellence, innovation, and contribution to building safer and smarter communities.

MISSION

To deliver high-quality, durable, and compliant road marking solutions that enhance safety, improve traffic flow, and support the growth of the nation's infrastructure through advanced technology, premium materials, and a commitment to excellence.

MESSAGE FROM SEISMIC CONTRACTING COMPANY LLC LEADERSHIP

At Seismic Contracting Company, we believe that safe and well-marked roads are the foundation of strong communities and a thriving economy. Every line we paint and every project we deliver represents our commitment to protecting lives, improving traffic flow, and supporting the nation's vision for world-class infrastructure.

We remain dedicated to excellence, innovation, and sustainability—building lasting partnerships and creating value for our clients, our people, and the communities we proudly serve.

ROAD MARKING SOLUTIONS

We provide a comprehensive range of road marking services tailored to meet the needs of roads, highways, parking areas, airports, and industrial facilities across the UAE.

Our solutions enhance safety, ensure compliance, and improve traffic flow.

We have proudly delivered road marking services across the **UAE** and are now starting our journey in the **Kingdom of Saudi Arabia (KSA).**

THERMOPLASTIC ROAD MARKING

Durable and long-lasting thermoplastic markings for highways, urban roads, and high-traffic areas.

PARKING LOT MARKING

Clear and precise marking for parking bays, numbers, arrows, and symbols to optimize space and safety.

TRAFFIC LINE MARKING

Center lines, edge lines, lane lines, and stop lines installed with precision to guide and protect road users.

PEDESTRIAN CROSSINGS

High-visibility zebra crossings and safety markings to ensure pedestrian safety.

ARROWS & SYMBOLS

Custom road arrows and symbols for directional guidance and traffic control.

SPEED HUMP MARKING

High-visibility speed hump markings for traffic calming and driver awareness.

CYCLE TRACK MARKING

Dedicated cycle lane markings to promote safety and support sustainable mobility.

CURB & KERB MARKING

Kerb painting and curb markings for clear demarcation and enhanced visibility.

BUS LANE MARKING

Specialized bus lane markings to ensure smooth traffic flow and lane discipline.

AIRPORT MARKING

Runway, taxiway, and apron markings as per international aviation standards.

INDUSTRIAL MARKING

Floor and safety markings for factories, warehouses, and industrial facilities to ensure safety and operational efficiency.

SPORTS COURT MARKING

Precision line marking for tennis courts, basketball courts, and other sports surfaces.

INDUSTRIES WE SERVE

We provide a comprehensive range of road marking solutions and safety products to enhance road safety, ensure compliance, and improve traffic flow. Our services are tailored to highways, roads, parking areas, airports, industrial facilities, and more.

HIGHWAYS & ROADS

Durable and high-visibility markings to ensure smooth traffic flow, and meet regulatory standards.

PARKING AREAS

Clear and precise markings for parking bays, lanes, arrows, and symbols to maximize space utilization and safety.

AIRPORTS

Specialized runway, taxiway, apron, and helipad markings that comply with international aviation standards.

INDUSTRIAL FACILITIES

Floor and roadway markings for factories, warehouses, and plants to ensure safety, organization, and operational efficiency.

COMMERCIAL COMPLEXES

Professional markings for malls, business parks, and commercial spaces to guide traffic and enhance visitor experience.

EDUCATIONAL INSTITUTIONS

Safe and clear markings for schools, universities, and campuses to protect students, staff, and visitors.

HEALTHCARE FACILITIES

Markings that ensure easy navigation, emergency access, and safety in hospitals and healthcare centers.

PORTS & MARINE TERMINALS

Heavy-duty markings for docks, yards, and logistics areas to withstand extreme conditions and heavy traffic.

SPORTS & RECREATION AREAS

Precision line markings for sports courts, tracks, and recreational facilities for safe and enjoyable use.

RESIDENTIAL COMMUNITIES

Road and parking markings that improve safety, traffic management, and overall community living.

CONSTRUCTION PROJECTS

Temporary and permanent markings to ensure safety, guide traffic, and support smooth project execution.

LOGISTICS & DISTRIBUTION CENTERS

Functional markings for loading zones, lanes, and parking areas to streamline operations and enhance safety.

No matter the industry, our focus remains the same — delivering safe, reliable, and high-quality road marking solutions that exceed expectations.

EXPERIENCED TEAM
A skilled and dedicated team with extensive industry experience.

QUALITY ASSURANCE
We use premium quality materials and advanced technology to deliver long-lasting and high-performance results.

ON-TIME DELIVERY
We value time and ensure timely completion of projects without compromising on quality and safety.

SAFETY FIRST
Safety is our top priority. We follow strict safety protocols to protect our team, clients, and the communities we serve.

KSA WIDE COVERAGE
We proudly serve clients across all regions of the Kingdom of Saudi Arabia with consistent quality and reliability.

PRECISION IN EVERY LINE, SAFETY IN EVERY MILE
